

Holy Chaos Toddler Service

This is a midweek service for pre-school babies and children with their parents/carers.

Initiated by the previous incumbent it is now approaching its 3rd birthday and is run by volunteers from the congregation. The informal format is designed to be welcoming and accessible with songs, procession, Bible story and linked craft activity followed by drinks and snack. Numbers vary from week to week, but we have a core of about five families who are regulars. We aim to familiarise the children with areas of the church and the Christian story and provide a safe space for all to feel welcome in the hope that they may become further involved in the life of the Church.
